Grade 7  
2021-2022

Welcome to 7<sup>th</sup> grade! This booklet outlines the scope of our learning for this year and the sequence in which we will be addressing each subject.

Below are the middle school teachers along with the subjects they teach:

Mrs. Cassia Sollitt – 7<sup>th</sup> grade homeroom, Bible, and Language Arts  
Mrs. Lynne Sparling – 7<sup>th</sup> grade homeroom, Bible and Art  
Mr. Ryan Melcher – 8<sup>th</sup> grade homeroom and Social Studies  
Mr. Peter Berg – 8<sup>th</sup> grade homeroom and Math  
Mrs. Erin Mansfield – 6<sup>th</sup> grade homeroom and Science  
Mr. Trevor Sollitt – 6<sup>th</sup> grade homeroom and Math  
Mrs. Alva Valle – P.E.  
Señora Sisniegas – Spanish  
Mr. Jake Glennon and Mrs. Cara Berg – Performing Arts

In 7<sup>th</sup> grade, the core subjects cover world history, life science, and a math track of advanced 2 or algebra. Bible class is focused on real-life faith application. A 7<sup>th</sup> grader can expect around 70-100 minutes of homework per night.

A variety of other experiences are part of this year. In September, our outdoor education camp is held at Mission Springs, located in the Santa Cruz mountains. Fun activities throughout the year are planned with our first-grade buddies. Students have the opportunity to play after-school sports, which include softball, flag football, volleyball, basketball, soccer, and cross country. Some athletes, scholars, and musicians may attend the Lutheran Elementary Schools' Tournament in Irvine to compete against other Lutheran schools in a variety of events.

7<sup>th</sup> grade is an important and formative year. It is an adventure and a blessing!

In addition to an abundance of resources we will be using in the classroom, our standard textbooks will be:

- **Science** Prentice Hall
- **Reading** Realms of Gold and teacher selections
- **English** Write Source and Step Up to Writing
- **Math** Big Ideas Math
- **Social Studies** Core Knowledge
- **Bible** The Bible

We look forward to a wonderful year and welcome any feedback from you that might help your child excel. If you have any questions, please email any of the teachers or call (797-8186) to set an appointment so we can give you undivided attention while we meet.

In Christ,  
Middle School Department

Assessments in all subjects are determined by individual and group quizzes via Activote, paper & pencil tests. chapter and unit quizzes. Class presentations, both individual and group, and class participation provide a portion of the grade. Rubrics for grading are given based on the assignment.

Homework for all classes is due on the date assigned in-class unless extensions are given. Late work will be graded according to the junior high policy. Extension can be given on a case by case basis and to the teacher's discretion. Please talk with the teacher if such a situation should arise

#### *Grading Break down*

- Tests/Quizzes - 40%
- Homework - 40%
- Participation - 20%
