HEBREWS 13:8

Kindergarten  
2021-2022

Welcome to Kindergarten! This year promises to be a full year of learning and growth. This booklet outlines the scope of our learning for this year and the sequence in which we will be addressing each subject. It is intended to assist you so that you know where we are on this journey.

In addition to the academic challenges, students can look forward to . . . Buddy Activities with the fourth graders on Fridays after chapel, Johnny Appleseed Day, Columbus ships, building candy stables, Pioneer Day, Space Night, science experiments, and several exciting field trips throughout the year such as G & M Farm, Lindsay Wildlife Museum, and the Planetarium. They will also have Physical Education/Health twice a week Mrs. Valle and Spanish class with Señora Sisniegas.

In addition to an abundance of resources we will be using in the classroom, our standard textbooks will be:

- Science           Teacher Materials
- Language Arts   California Treasures (McGraw-Hill)
- Handwriting     Handwriting Without Tears
- Math             Sadlier
- Bible             One in Christ
- Social Studies   Core Knowledge

You are more than welcome to come and examine all of these resources.

Quarterly assessment in Kindergarten is measured against fifty-seven benchmarks, with evaluations of “above grade level”, “progressing toward grade level”, or “not at grade level.” These will be reviewed at quarterly and at parent-teacher conferences.

We look forward to a wonderful year and welcome any feedback from you that might help your child excel. If you have any questions, stop by (for quick questions), call (797-8186) or email in order to set an appointment so we can give you undivided attention while we meet.

In Christ,

Mrs. Lori Robeck  
[lrobeck@popfremont.org](mailto:lrobeck@popfremont.org)

Mrs. Arlene Snyder  
[asnyder@popfremont.org](mailto:asnyder@popfremont.org)

## **Spanish**

Kindergarten will start to build Spanish vocabulary. We will cover greetings, numbers, colors, classroom objects, family, food and clothing. As well as basic daily phrases. We will use the alphabet buckets, word games and songs.

Señora Viviana Sisniegas

[vsisniegas@popfremont.org](mailto:vsisniegas@popfremont.org)

## **Music**

Students will build music fluency and musicianship through participation in a variety of dynamic music experiences including singing, playing instruments, listening, moving, analyzing, creating, and performing. Through these cross-curricular experiences, they will be exposed to a diverse repertoire of music reflecting various cultures and will become familiar with different families of musical instruments. They will learn basic elements of music including rhythm, melody, harmony, expression, form, and timbre, as well as build on key music skills such as reading and notating music.

Ms. Marla Stein

[mstein@popfremont.org](mailto:mstein@popfremont.org)

\*\*Please note that due to COVID 19 field trips and some in-class activities will be adjusted
