

PRINCE *of* PEACE  
CHRISTIAN SCHOOL

**FOR ALL GENERATIONS**

65 YEARS OF CHRISTIAN EDUCATION

Grade 1  
2022-2023

Welcome to first grade! This is a dynamic year of growth and learning. It is a year filled with fun, adventure and challenges. This booklet outlines the scope of our learning for this year and the sequence in which we will be addressing each subject. It is intended to assist you so that you know where we are on this journey.

During the year in science, we study plants and animals, solids and liquids, weather and air. First graders will be working on paragraph formation, practicing word families, sentence structure and punctuation. In Social Studies they will explore Early Civilizations, Ancient Egypt, Mexico, and the formation of our country. In math we will study addition, subtraction, money, telling time, and much more...

In addition to the academic challenges, students can look forward to...7th grade buddies, extended learning with technology, and Fun Fridays.

There are several exciting field trips throughout the year...

CuriOdyssey, Rosicrucian Egyptian Museum, and the Bay Area Children's Theater to name a few...

In addition to an abundance of resources we will be using in the classroom, our standard textbooks will be:

- Science
- Reading California Treasures/Macmillan/McGraw-Hill
- Language Arts California Treasures/Macmillan/McGraw-Hill
- Handwriting Handwriting Without Tears
- Math Sadlier
- Social Studies Core Knowledge
- Spelling California Treasures/Macmillan/McGraw-Hill
- Art Arts Attack
- Bible CPH One in Christ

You are more than welcome to come and examine all of these resources. We look forward to a wonderful year and welcome any feedback from you that might help your child excel. If you have any questions, please do not hesitate to stop by (for quick questions), or to call (797-8186) or email in order to set an appointment so we can give you undivided attention while we meet.

In Christ,

## **Spanish**

This year 1st Grade will have a book that will stay in the classroom. 1st Grade will continue building up their Spanish vocabulary. They will learn greetings, numbers 0-20, classroom objects, food, clothing, the face, family, and animals. We will keep working on the alphabet.

We will use Spanish Bingo to reinforce vocabulary words and reading storybooks to reinforce what we are learning and to hear the Spanish language in action. They will learn songs in Spanish using the vocabulary words.

Señora. Viviana Sisniegas  
[vsisniegas@popfremont.org](mailto:vsisniegas@popfremont.org)

## **Music**

Students will build music fluency and musicianship through participation in a variety of dynamic music experiences including singing, playing instruments, listening, moving, analyzing, creating, and performing. Through these cross-curricular experiences, they will be exposed to a diverse repertoire of music reflecting various cultures and will become familiar with different families of musical instruments. They will learn basic elements of music including rhythm, melody, harmony, expression, form, and timbre, as well as build on key music skills such as reading and notating music.
