

PRINCE *of* PEACE
CHRISTIAN SCHOOL

FOR ALL GENERATIONS

65 YEARS OF CHRISTIAN EDUCATION

Grade 5
2022-2023

Welcome to fifth grade! Fifth grade is exciting and so much fun! This year promises to be a full year of learning and growth. This booklet outlines the scope of our learning for this year and the sequence in which we will be addressing each subject.

In the beginning of the year in science, we study variables. Then we study life science, earth science and the solar system. In all subjects we follow the academic scope of the curriculum for California. As part of the fifth grade, you can expect 50-75 minutes of homework per night.

In addition to the academic challenges, students can look forward to... buddies with second grade, state projects, book reports, working with Chromebooks and many exciting field trips.

In addition to an abundance of resources we will be using in the classroom, our standard textbooks will be:

- Science Smithsonian Science for the Classroom
- Reading California Treasures (McGraw-Hill)
- English Step-up to Writing
- Math Big Ideas
- Social Studies Core Knowledge
- Spelling Rebecca Sitton
- Art Arts Attack
- Bible CPH One in Christ

You are more than welcome to come and examine all these resources.

We look forward to meeting you and working with you and your child! Your child's success is our top priority! If you have any questions, please do not hesitate to stop by, call (510) 797-8186, or email in order to set an appointment so we can schedule a meeting. If you have any questions, please feel free to contact us at (510) 797-8186.

In Christ,
